

SW JONES DISTRICT NEIGHBORHOOD

I hope everyone is enjoying the warm weather we are having this winter. Sorry the kids are not able to enjoy winter activities such as sledding. I noticed the other day, at the 3M Park, very limited snow on the hill for them to have some fun.

On **Wednesday, February 15, 2012**, we will be having guest speaker, **John Larson, from the Medical Examiner unit**. He will be speaking about his position. Remember to bring questions, especially those that are avid NCIS watchers. You may be able to get some answers you always wondered about from the show. Meeting will begin at 5:30 p.m.

On **Wednesday, March 21, 2012**, we will be going to the new tech farm. I do realize that it is Lenten season, so if we do not have enough that will be able to attend, I will cancel the meeting that night. Otherwise our next meeting would be on **Wednesday, April 18th**. I am hoping I can arrange for **Officer Pao Yang** to speak on what has been going on in our district regarding crime, drugs, and other events.

February 21 is the primary and April 3 is the spring election. Note that we now have 11 districts. District 11 is now District 10 and District 12 is now District 11

Remember, to bring something to add to the food pantry or if you have any milk tops or box tops for educational items that will do as well.

I am hoping to have someone from the inspections office to speak about what is currently new with the inspections department. Also, Nan would like to speak from the Assessment office about how they evaluate our property.

Bring any suggestions for future speakers or agenda items. Also, discuss again summer meetings.
