Others Present: Marie Schmidt, Officer Nate Stetzer, Kathi Groeschel, Joan Jackson, Melita Ray, Deb Ryan, Becky McElhaney, Melissa Dotter

1) Approval of Minutes

A motion was made by Prey and seconded by Radtke to approve the September 18, 2015 draft minutes. Motion carried by voice vote. Motion approved.

2) Clean It Up, Wausau Discussion

This event was much slower than the Spring one. The numbers aren't in from the Department of Public Works but it was estimated that about 500 cars went through and dropped items off on both days (Friday and Saturday). The committee discussed whether holding two of these in a year is something we continue or stop for next year. Nothing was decided at this point. Further discussion will take place next month when the numbers are in.

3) Neighborhood Updates

Southeast Side - Officer Stetzer attended their last meeting. They are looking at opportunities at John Marshall School and hoping to update Alexander Park.

Forest Park Neighborhood - Nothing to report

Westies - There was a recent drug bust on 4th Avenue. They are working cooperatively with the Downtown River District and there is another group within their neighborhood that is conducting a few small "Clean-up" weekend events.

Riverview Neighborhood - They are joining Nextdoor.com. Ric M from Public Works attended their last meeting and spoke about the leaf pick-up. They are looking into a partnership with Riverview School and they hold their meetings at Good Shepherd Church. Next month, Ms. Groat is attending to talk about the new garbage/recycling contract. Their next meeting is scheduled for Monday, November 16th.

East Side - They are talking about extending their boundaries as they don't get a large number of attendees at their meetings. Deanna is currently doing knock and talks.

4) Old/New Business

No new items to discuss. A motion to adjourn was made by Holster and seconded by Radtke. Meeting adjourned at 8:20 a.m.
