Others Present: Marie Schmidt, Officer Nate Stetzer, Becky McElhaney
Absent: Janet Herring, Deanna Schuette, John Prey

1) Approval of Minutes

The November N2N Meeting was not held due to lack of agenda items. The minutes from the October Meeting were posted on the City of Wausau website but were inadvertently missed from distribution with today's agenda; therefore no motion to approve these minutes was brought forth. The minutes from October 16, 2015 will be in the January N2N Packet.

2) Clean It Up, Wausau Discussion

A copy of the Clean-It-Up, Wausau statistics was drafted and distributed to the N2N Members for their discussion. It was suggested that residents enter the yard waste site from the north next time to alleviate traffic congestion.

3) Neighborhood Updates

Riverview Neighborhood - There were approximately 100 residents that attended their last meeting held in November. Finance Director, Groat was a guest speaker and provided information on the new Refuse and Recycling contract. Speeding cars continues to be an issue in their neighborhood. They are looking into asking a scout troop to assist residents in hauling their junk to the yard waste site at the next Clean It Up, Wausau event.

Forest Park Neighborhood - Their next meeting is scheduled for Tuesday, January 19, 2016 at 6:30pm. They have invited a guest speaker from the Warming Center. They've had some mail box theft issues within their neighborhood, recently.

EastTowne Neighborhood - They are talking about a possible cook-out this summer instead of a Block Party that they've had in the past.

Officer Stetzer provided an update on the Problem Property Committee that is made up of staff members from the Inspections Dept, Community Development, Police Dept., Public Works Department and the Engineering Department.

4) Old/New Business

A new automatic crime reporting software will be installed by the end of January in the Police Department. This is called Raids On-line. The Committee would like to choose two dates for the Clean It Up, Wausau event at the next January meeting. A motion to adjourn was made by Holster and seconded by Radtke. Meeting adjourned at 8:32 a.m.
