PUBLIC HEALTH & SAFETY COMMITTEE

Date and Time: Monday, September 21, 2015 at 5:15 pm, (Council Chambers)

Members Present: Rasmussen (C), Wagner, Kellbach, Neal

Members Excused: Gisselman

Others Present: Alfonso, Hardel, Kujawa, Rayala, Groat, Ray Neupert

Minutes of previous meeting(s) (7/20/15 & 8/17/15)

Motion by Wagner, second by Kellbach to approve the minutes of previous meetings (7/10/15 & 8/17/15). Motion carried 4-0.

Consider various license applications.

Rayala noted the Change of Agent for Burns Post VFW, which is marked pending on the list, has been withdrawn by the applicant Sandra Mason because of a felony conviction on her record which she realized would result in a denial. The VFW was informed and they are submitting paperwork for another individual to appoint as agent.

Motion by Neal, second by Kellbach to approve or deny applications as recommended by staff and remove the Change of Agent (Sandra Mason) for VFW from the list. Motion carried 4-0.

Discussion and possible action regarding termination or non-renewal of PetData contract and adoption of in-house program. (Groat)

Maryanne Groat stated PetData sends out the renewal notices at the beginning of each licensing season to those that have current licenses. They work with the veterinarians who provide their database of individuals who bring in pets for vaccinations and they also provide online licensing as well as by phone and through the mail. She indicated we are spending approximately \$24,000 per year for those services. Groat stated the city recently purchased new permitting and licensing software for the Inspections Department and it has a module for clerk's type of licensing. This software will be used for our licensing and it has a pretty significant online component to it. She noted the city is still licensing about 45% of the pets at the counter at City Hall or via mail to us, and we pay \$3.90 per license whether it is done here or online. She suggested terminating the relationship with PetData and do it ourselves in-house. Alfonso noted the contract with PetData expires on its own on November 4, 2015, but suggested sending a courtesy letter informing them we were not going to exercise one of our two one-year options to renew.

Groat indicated she has a meeting with IT tomorrow at which time some testing could be done to make sure we all think it works well. Wagner suggested giving Weston a rebate on the \$3.90 per license charge to encourage them to go along with us. Rasmussen noted Weston has gone 100% PetData and doesn't sell licenses across the counter at all anymore. Wagner questioned if we would offer Weston residents the ability to either call us or go online for their pet licenses. Rasmussen suggested placing a link for Weston residents to access our system.

Groat stated if there was some uncertainty they could also decide to stay with PetData one more year to give time get the licensing program implemented and further along and contemplate it again next year.

Motion by Wagner, second by Neal to direct staff to continue to pursue an in-house pet licensing process and pending a positive outcome of research and interaction with Weston, forward it to Finance Committee at the proper time to make the change. Motion carried 4-0.

Discussion and possible action on accreditation process to be undertaken by the Wausau Fire Department (Kujawa)

Chief Kujawa stated she was bringing this resolution forward to the committee to take action on as directed following discussion last month. Neal asked for clarification on the fiscal impact number. Kujawa explained the dollar figures indicated are simply to pay CFAI to come in and do the accreditation process. Neal questioned if there was some tangible benefit or impact to the city in terms of our insurance or operations. Kujawa explained accreditation will require us to do a self-assessment; a community risk assessment; a standard of cover, looking very closely at our deployment strategies; and a strategic plan. All of this outcome based data results in benefits to the city insurance rating through CVMIC.

Motion by Neal, second by Kellbach to approve the resolution on accreditation process for the Wausau Fire Department. Motion carried 4-0.

Operations Report from Fire Department for August 2015

Kujawa commented on the Ponderosa Fire and the department working with other entities to find housing for the 26 displaced people very quickly. She noted new training on fire tactics helped save most of this structure.

Kujawa indicated they were looking for a new EMS Division Chief for hire in November as well as a Deputy Chief with a January 1st start date. She expressed appreciation of the new breathing apparatus and radios.

Tavern Activities / Compliance Checks / Law Enforcement Activities

Chief Hardel presented the Tavern Report for August 4, 2015 through September 4, 2015. (*See attached.*)

Hardel commented they were contacted by the Department of Criminal Investigations (DCI) regarding handling the officer involved shooting a few weeks ago. He indicated DCI has completely taken it over and we do not have any reports and are not briefed on anything that they know. They anticipated sending us the final reports at the end of the week for review along with the District Attorney's Office.

Neal questioned if there was a way of getting briefings/reports from the police that is less service call related and is more officer observation related. Rasmussen felt the demerit point system helps to identify issues with the establishments. Discussion followed on dealing with bars with problem clientele, proper management, and better follow up. Hardel indicated he could provide more information on tavern activities.

Wagner questioned the application for a Class A license by C & B Super Market, LLC, listing 640 S 3rd Avenue as the premise address, which is the former Pope's Hobbyland. It was his understanding this location was to be a laser tag business, which was recently approved by Plan Commission. Rayala indicated she would look into it.

(1) *Event #150114719, 09-26-15 at 10:40 PM:* **Bartender called** to report that a male claiming affiliation to a biker gang had threatened him. The bartender did not want anything to be pursued, just to have a record on file. The suspect was located and warned not to return to the (B&R) bar. Since there were no charges, Officers could not compel the male to identify himself, and he refused to provide it.

- (2) *Case #15-8649, 10-02-15 at 11:08 PM:* **Bartender called** to report a broken window on the adjacent property. A male suspect that had been a patron was arrested and charged with criminal damage to property.

Cop Shoppe Pub, 701 Washington Street

- (1) *Event #150113080, 09-23-15 at 1:30 AM:* Unknown caller reported a fight involving three males throwing punches in the parking lot of the bar. A male had been escorted out of the bar earlier in the evening returned and started causing problems in the bar. Patrons escorted the male outside the second time, at which time a scuffle ensued. No one wanted to pursue charges. The male was taken home by Officers. The bartender was on scene and witnessed the events. The (cellphone) caller was not identified by Officers.

Domino Bar, 740 Washington Street

- (1) *Case #15-7976, 09-11-15 at 7:07 PM:* Anonymous caller reported observing a male sitting in a parked car drinking a beer in the parking lot of the tavern. Officers responded and located the male. He explained that he was in the tavern parking lot using the WIFI for his tablet. He said the beer came from home. The male was arrested for a violation of probation/parole. **It was determined that the bar had nothing to do with this male.**

El Jalapeno's Restaurant and Bar, 300 N. 3rd Street

- (1) *Case #15-7759, 09-05-15 at 2:14 AM:* Lieutenant was flagged down by patrons outside the bar that wanted to report a fight that had occurred inside the bar. Investigation was unable to determine the suspect's identity. The bouncer was unaware of the altercation until it was all over, and the bartender started towards the front of the bar to alert the bouncer, however other patrons moved the altercation out the side door. No arrest was made. The victim sustained a possible broken nose.
- (2) *Event #150108256, 09-12-15 at 1:14 AM:* Dispatch received an anonymous complaint of loud music coming from the bar. An Officer responded and parked a block away. He was able to hear the music from El Jalapeno over the music of other area bars. He made contact with the owner, and suggested they close the door that had been open. Once the door was closed, the Officer could no longer hear the music from down the block.

- (2) *#150114383, 09-26-15 at 2:17 AM:* Unnamed caller reported people outside the bar screaming and hollering. Officers were on scene ten minutes later and reported no excessive noise from the area, that the bar was cleared out of patrons with no issues. **Unfounded.**

Intermission Bar, 325 N. 4th Street

- (1) *Event #150104679, 09-04-15 at 12:48 AM:* Anonymous caller reported a fight between two people at the tavern. Officers responded and discovered that the bartender attempted to stop a patron from leaving with an open alcoholic beverage container. The patron became confrontational, and the bouncer stepped in. A pushing match ensued, which prompted the call to Law Enforcement. Bar employees wished for the patron to be removed from the property. The patron was happy to move on. No arrest.
- (2) *Case #15-8586, 09-30-15 at 9:26 PM:* Alcohol Compliance check was conducted and the bartender served the underage volunteer. Citation issued to the bartender and demerit points assessed to the tavern.

Oz Bar, 320 Washington Street

- (1) *Case #15-8435, 09-26-15 at 1:09 AM:* Officer called out with a field interview stop near the bar. In the end, there were four younger people drinking on the sidewalk to the west of the tavern. Two of the people were arrested. **No part of the incident involved the tavern.**
- (2) *Case #15-8692, 10-04-15 at 12:32 AM:* A call was received (named caller) regarding a report of a male beating up a female. The call was made by a third party on behalf of the victim. The victim was never located; however the male was located near Malarkey's. There was enough probable cause to arrest the male for disorderly conduct and bail jumping, even without the victim. Based on the fact that the victim was not located, it was not determined exactly where the victim had been when she was beaten, and it could not be determined that it had happened in the bar.

VFW, 388 River Drive

- (1) *Event #150114675, 09-26-15 at 8:45 PM:* Anonymous caller reported that "kids" were getting served during a wedding from both the bar and the reception. - (1) *Event #150104687, 09-04-15 at 1:28 AM:* Officer driving by observed several people stepping out of the bar with open bottles of beer. The people turned around and went back inside upon seeing the Officer taking notice. The Officer returned to the bar and counselled the bartender about not letting patrons take the alcoholic beverages outside. The bartender mentioned yelling at the patrons when they came back in.
