PUBLIC HEALTH & SAFETY COMMITTEE

Date and Time: Monday, March 21, 2016 at 5:15 pm, (Council Chambers)

Members Present: Rasmussen (C), Neal, Gisselman, Kellbach

Members Not Present: Wagner

Others Present: Alfonso, Barnes, Bishop, Rayala, Hebert, Kujawa, Goede

In accordance with Chapter 19, Wisc. Statutes, notice of this meeting was posted and sent to the Daily Herald in the proper manner. It was noted that there was a quorum present and the meeting was called to order by Chairperson Rasmussen.

Consider various license applications.

Rasmussen stated there were five applications that were recommended for denial: Operator's Licenses for: Bobbie Jo Burk, Tara Hoppe and Leslie Ziegel; Public and Transport Driver Licenses for: Keion Jives and David Williams. It was noted that Ziegel, Jives and Williams were not present.

Bobbi Burk, 1002 N 2nd Ave, stated that her record was from seven years ago and she has not had any problems since then. She indicated she was trying to leave an abusive situation and the job was helping her to do that. She noted the position was for the closing hours and requires that she work alone and have a license. Rasmussen noted the offense was a felony conviction.

Tara Hoppe, 631 Nina Ave, indicated she has a Town of Berlin license and has worked at Schmidt's Ballroom for two years. She acknowledged she made mistakes and got into trouble, but it has been almost four years since then. She indicated she was still on probation and had to pay her restitution; she wanted an extra job to accomplish that. Rasmussen noted the City of Wausau had stricter criteria than the surrounding townships.

Rasmussen stated the Holy Name 2016 Summerfun event was requesting to be allowed to let the band play until 11:00 pm. She noted they have been doing this in the past and there have not been any complaints to her knowledge. Cpt. Barnes stated the most complaints received regarding noise were from events on The 400 Block. He confirmed there is no record of any complaint against the Holy Name Summerfun and historically they have played music until 11:00 pm. Consensus was to allow Holy Name Summerfun to let the music play until 11:00 pm., with the sound being turned down at 10:30 pm.

Goede indicated The 400 Block Party event was requesting an 11:00 pm stop time for music as well. Rasmussen stated this is the 2nd annual for The 400 Block Party event and Matt Paulson was present to speak to it. Paulson stated they played until 10:40 pm last year and he would agree to turn the volume down at 10:40 and end right at 11:00 pm. Rasmussen pointed out Lt Baeten objected to the 11:00 pm end time and suggested a 10:00 pm end time to mitigate further noise after the hours of amplified music. Gisselman felt that we have to be consistent with the time we expect bands to conclude the music on the 400 Block and that has been 10:30 pm. Consensus was the music must stop at 10:30 pm.

Neal requested that the license for Bobbi Jo Burk be voted on separately from the list.

Motion by Neal, second by Gisselman to approve or deny all licenses on the list as recommended by staff. Motion carried 4-0.

Neal asked for clarification as to the reason for denial by Chief Hardel. Barnes indicated it was for a felony conviction for manufacture/delivery of drugs, which is an automatic denial. Neal noted it was nine years ago so he was willing to give her a chance.

Motion by Neal, second by Gisselman to approve the Operator's License for Bobbi Jo Burk. Motion failed 2-2.

Discussion and possible action regarding Class B Retailer (Picnic) License application for Burns Post VFW Beer Garden at the Wisconsin Valley Fair 2016.

Rasmussen stated there were some issues with the VFW's beer garden failing compliance checks at the fair last year as well as some issues the year prior. She noted the VFW was also the only large beer garden at the fair that did not employ private security. The committee decided that before we license them for this year's fair that we would meet

with them in the spring to discuss their plan and possibility of hiring outside security to ensure underage people are not getting in and/or patrons are not exiting the garden with alcohol.

Dan Southworth and VFW Commander Jack Pettit were present to address the committee. Southworth apologized for the previous incidents and stated they want to make a new start. Pettit noted Dan Southworth was replacing Roger Sydow as agent for the license. Southworth indicated they will be hiring the private security company WISCO this year. There will be front and back gate guards from noon to 5:00 pm., and two in front and one in back from 5:00 pm., to close. He pointed out the front gate is now eight feet wide and will be narrowed down to at least half.

Discussion and possible action on Class B Beer license for United America, LLC d/b/a Pizza Bites

Rasmussen explained this was a Class B Beer license that we approved connected to a gas station contingent upon the premises being separate from the gas station and that it is a restaurant. Rayala stated the owner has separated the two businesses with a glass wall. The Inspections Department and Police Department have gone through the building and pictures were submitted that show only five gambling machines and a toaster oven. There were no sinks, equipment or, tables that would be needed to operate a restaurant. She asked for direction as to whether we should issue the license, as Raj Bhandari has been coming in and asking for it.

Rasmussen felt the committee was clear in that it was never our goal to license something that looks like a gambling room. Following discussion, consensus was to inform Bhandari it must be functioning as a restaurant and bring this issue back to the next meeting for review.

Central Business District Obstruction Permit - Kurt Kraimer (Location: 408 3rd St, Malarkey's Pub and Townies Grill)

Tyler Vogt, owner of Malarkey's, stated he would like to install windows that would provide open air to the outside but would extend a couple inches into the right-of-way. He indicated he could put concrete planters or signs beneath them.

Motion by Neal, second by Kellbach to approve the permit for Malarkey's Pub/Townies Grill. Motion carried 4-0.

Central Business District Obstruction Permit - Wausau River District

Rasmussen stated Elizabeth Field, of the River District, was requesting an obstruction permit to put out a sandwich board sign for events. Gisselman indicated he was on the board for the River District and would abstain from voting.

Motion by Neal, second by Kellbach to approve the permit for Wausau River District. Motion carried 3-0-1.

Central Business District Obstruction Permit - Wausau/Central Wisconsin CVB, 219 Jefferson St

Rasmussen stated the Visitor's Center would like to put out a sign on the sidewalk when they are open.

Motion by Neal, second by Gisselman to approve the permit for CVB. Motion carried 4-0.

Discussion and possible action on request of Bridge Street Clinic for waiver of subsection (c)(1) of Section 8.08.011 Keeping of honey bees, to permit the keeping of 3 hives on the premises

Rasmussen explained the Bridge Street Clinic had two hives at two different sites, one at the Community Garden and one at the Bridge Clinic, but because one site was not doing well, they were requesting permission to combine them. Katie O'Connor, Wausau Community Garden, stated they were asking for additional beehive located at the Bridge Clinic garden, so we would have three there and none at the other. She noted they are in the back of the clinic out and not noticeable.

Motion by Kellbach, second by Neal to approve the request for waiver to permit three hives on the premises. Motion carried 4-0.

HEARING on Rent Abatement Application of Maareeny Edwards concerning 1015 N 5th Street. (Nou Vang Thao and Eileen Thao - Landlords)

Rasmussen stated this hearing is deferred to the next meeting in April, as the landlord was unable to attend.

Consideration and possible action on complaint filed by Ashley Cole under W.M.C. Ch. 9.32, Discrimination in Housing Accommodations, Re. 730 Werle Avenue, Cosmos Properties, LLC respondent.

Rasmussen stated the complainant indicated she had a recording of a voicemail that was left for her by the landlord's office and we had directed the Assistant City Attorney to attempt to obtain it as admissible evidence. She noted Ashley Cole was not present; and Mr. Winterhoff, representative of Cosmos Properties was present. Alfonso indicated she only had a written transcription of the voicemail and there was really no way to authenticate it. Rasmussen stated they would convene in closed session for further discussion following the next couple reports on the agenda.

Operations Report from Fire Department for February 2016

Chief Kujawa reported that the Wausau Fire Department and Stevens Point challenged each other in a CPR challenge. She explained one of the components of it is to see how many people we can train in CPR. She indicated Wausau is at approximately 1600 and Stevens Point has not hit the 500 mark yet.

Kujawa noted Common Council approved us to move forward with succession planning and Pat Lynch will be coming in April 18-21, 2016, to help with that project. She invited anyone else who would like to be involved as an external stakeholder in that process.

Tavern Activities / Compliance Checks / Law Enforcement Activities

Barnes presented the Tavern Report for February 7, 2016 through March 15, 2016 (*see attached*). He noted everyone passed the compliance check this month.

Motion by Neal, second by Gisselman to take no further action on the discrimination claim of Ashley Cole against Cosmos Properties, LLC, due to not receiving any compelling evidence. Motion carried 4-0.

Rasmussen stated the committee has opted not to action on the Residential Rental Licensing pending further research and observation.

Motion by Neal, second by Gisselman to adjourn the meeting. Motion carried unanimously. Meeting adjourned at 6:50 pm.

PUBLIC HEALTH & SAFETY COMMITTEE

Date and Time: Monday, April 25, 2016 at 5:15 pm, (Council Chambers)

Members Present: Rasmussen, Wagner, Peckham, Kellbach, McElhaney

Others Present: Alfonso, Rayala, Hardel, Kujawa, Groat, Goede, Mielke, Ambriz, Maareeny Edwards, NouVang & Eileen Thao, Amanda Hayes, Tim Schertz, Jim Huber, John Fischer, Deb Ryan.

It was noted that there was a quorum present and the meeting was called to order by Toni Rayala, City Clerk. Members of the committee were introduced and new members welcomed.

Select Chairperson and Vice Chair; and appoint two members to the Liquor License Review Subcommittee for the 2016-2018 Term.

Wagner nominated Lisa Rasmussen for Chair, seconded by Kellbach. Nominations closed. Motion carried unanimously. Rayala passed the gavel to Rasmussen to preside over the meeting.

Kellbach nominated Romey Wagner for Vice-Chair, seconded by Peckham. Nominations closed. Motion carried unanimously.

Rasmussen explained the duties of the Liquor License Review Subcommittee. Kellbach nominated Rasmussen and Wagner. Wagner questioned if a new member would like to volunteer; Peckham indicated he was willing. Motion by Kellbach, second by Wagner to appoint Rasmussen and Peckham to the subcommittee. Carried unanimously.

Minutes of previous meeting(s). (2/15/16)

Motion by Kellbach, second by Wagner to approve minutes of a previous meeting (2/15/16). Motion carried 5-0.

Consider various license applications, including the 2016-2017 liquor licenses for business establishments.

Rasmussen stated the list this month includes all the renewals of Class A, Class B, and Class C liquor licenses for the establishments in the city. Goede noted there was one new application for Class A Beer & Liquor for the Holiday gas station under construction near County Market.

Goede stated that Val-Roc, LLC was granted a 90 day extension in which to begin operating, which has now expired and is requesting another extension. Rasmussen indicated she spoke with Valerie Charneski who has been having issues with getting back in business due to the slowness of repairs following the fire to the building next door. There appears to be some forward motion on getting something to happen there, however, so she may be able to open her business. Wagner did not feel we should allow them to sit on the license for a long period of time when there are other entities currently seeking licenses that are ready to go.

Rasmussen stated there were two denial recommendations, a Public Transport Driver license for Gregory Bowan and an Operator's License for Amanda Hayes. Mr. Bowan was not present. She stated that Ms. Hayes has been previously denied by the committee and Council and was found working alone at Krist after the denial.

Amanda Hayes explained she was supposed to be working with another person who was licensed that day, who did not show up for work. She indicated she called her boss to come in when the officer came in. She stated her boss and supervisor were present with her tonight to support her. She stated it has been 10 years since her last OWI and she has a six year old daughter to support. She really likes her job at Krist and it is not a bar. Wagner questioned if she would have continued working if the officer had not come in. Robert Johnson, Iron River, Michigan, stated he runs 15 Krist Oil stations and it is his policy to have a licensed person working always. He commented she was an excellent employee and he wanted to give her more hours if she had a license. Hardel explained he recommended denial because she had four OWI convictions and a drug possession charge.

Motion by Peckham, second by McElhaney to consider Ms. Hayes application separate from the list. Motion carried 5-0.

Motion by Wagner, second by Peckham to approve the Operator's license for Amanda Hayes. Motion carried 4-1.

Rayala suggested they send Val-Roc, LLC to the Liquor License Review Subcommittee to discuss the extension. Rasmussen agreed and then we could then bring in the owner to show a detailed plan for opening since she is not here tonight to speak to it.

Motion by Peckham, second by Kellbach to refer the license extension for Val-Roc, LLC to the Liquor License Review Subcommittee for consideration. Motion carried 5-0.

Motion by Kellbach, second by Peckham to approve or deny all the other licenses on the list as recommended by staff. Motion carried 5-0.

Update on Class B Beer license for United America, LLC d/b/a Pizza Bites

Goede stated Raj Bhandari submitted pictures with the tables and equipment in place and indicated he would like to open on May 1st. Rayala stated Bill Hebert from Inspections Department left her a message recommending we do not release the license until he does a final inspection.

Discussion and possible action regarding the implementation of automated refuse and recycling collection of the downtown trash containers. (Groat)

Rasmussen stated we learned the trash containers that we have downtown in the River District are not able to be picked up by the automated arm of the trucks, so Maryanne Groat has been doing some research on finding a containers that work.

Groat stated it is very inefficient to do the manual pick up of the refuse and recycling. There are about 80 garbage cans in the downtown and it took the DPW workers over a day to collect it manually because most of them have cumbersome tops on them that must be removed to get the bag out. The bag is taken to the truck and then a new liner has to be put into the container. They have also been tracking how full they were on collection weeks and came up with recommendations on the frequency.

Groat stated she was able to find at least two companies that manufacture these kinds of carts. There is some weight to them and the top is breakaway top that will separate from the cart so the container can be emptied into the truck. She indicated we would go out for a bid on them, but one quote she got, with shipping was \$415 for one container. Some carts will be eliminated and 72 in total would be disbursed throughout the downtown; however, they are recommending we purchase 80 so that we have some extras. They come in a variety of colors and she indicated she'd work with Main Street to choose the colors. We can also put the City of Wausau logo on them, as well as a different color top to designate recycling versus refuse. She noted the City of Oshkosh has implemented them and have had nothing but compliments from people in their downtown. The existing inventory of carts that we have on hand will used in other locations that are not adaptable to curbside pickup and any unable to be used would be put in the auction.

Deb Ryan, 702 Elm St, stated she talked to one of the DPW staff who indicated they have been picking up 58 of them since January 1st twice a week and at times, have been finding shovels full of syringes on the street. She questioned if they were going to train all staff on how to handle this type of waste safely. She suggested they look at different designs of trash cans for safety features.

Motion by Peckham, second by Kellbach to approve the implementation of automated refuse and recycling collection of the downtown trash containers contingent upon the bid receipt and to authorize staff (Groat) to work with Main Street to choose a color scheme. Motion carried 5-0.

Consider request for outdoor bands for summer season at Athletic Park (Wisconsin Woodchucks - Mark Macdonald)

Rasmussen this is essentially a renewal; on game days we have allowed the Woodchucks to have bands in their new mezzanine terrace area. She commented they have been very responsible in managing the time of the performances during the day before the games.

Request for three bands: Wednesday, June 29, 2016, Jamaican Steel Drum Band, before game start of 6:35 pm.; Thursday, July 14, 2016, Bucket Ruckus, before and after game, but stopping by 10:00 pm.; and Sunday, August 7, 2016, Christian Folk Group, before and after the 3:00 pm game, music ending by 7:00 pm.

Hardel indicated Mark MacDonald meets with the PD annually in reference to the baseball season. He stated MacDonald hires CSO's to patrol and he had no problem with allowing the bands.

Motion by Kellbach, second by Peckham to approve the request. Motion carried 5-0.

Consider request to hold outdoor event - The Wausau Eagles Club 1st Annual Corn Roast Fundraiser, Saturday, August 13, 2016. (Tim Schertz, Co-chair)

Tim Schertz explained the Eagles Club would like to have a corn roast in the late afternoon/early evening, with proceeds to go to the charities that the Eagles Club supports. He indicated he started “Corn on the Curb” in Stevens Point 14 years ago and it is still operational today. The difference is that Stevens Point was a for-profit event and this is a non-profit fundraiser. Rasmussen questioned if there would be outdoor music and Schertz indicated that there would be. He anticipated the event ending between 10:30 – 11:00 pm. Hardel recommended that music stop by 10:00 pm., in residential areas; Schertz agreed to 10:00 pm. Hardel questioned if there would be fencing and if there would be wrist bands and Schertz confirmed that. Hardel suggested the Fire Department inspect for proper ingress and egress.

Motion by Wagner, second by McElhaney to approve the Corn Roast Fundraiser, August 13, 2016, at the Eagles Club, contingent upon review of the Fire Department. Motion carried 5-0.

Discussion and possible action on resolution accepting and supporting Wausau Fire Department Strategic Plan. (Kujawa)

Rasmussen stated she participated in the process with a group of external stakeholders and they conducted a series of meetings at the Fire Department. She commented rather than hire a consultant to come in and create a canned strategic plan, this plan was created by our firefighters, of which they are very proud.

Kujawa explained they undertook this venture over a year ago starting with a committee that planned how we were going to go about creating the strategic plan. There were six sessions with 19 employees that volunteered to step up to the plate and create it, as well as six external stakeholders. Don Ryder was the facilitator of the strategic planning process. She believed that strategic planning helps an organization avoid waste and misdirection and it is very easy for management to make decisions with a plan. She asked them to support the document and Fire Department in their mission and their future vision.

Kujawa added that there many departments that actually hire outside people to do their plan for them and it can cost upwards of \$10,000. This is also a very important step in our accreditation process.

Motion by Kellbach, second by McElhaney to approve the Wausau Fire Department Strategic Plan. Motion carried 5-0.

Operations Report from Fire Department for March 2016

No discussion, report placed on file.

Tavern Activities / Compliance Checks / Law Enforcement Activities

Hardel presented the Tavern Report for March 15, 2016 through April 5, 2016 (*see attached*).

Hardel explained the process of the tavern inspections and the report, how compliance checks are conducted, as well as the handling of noise complaints, to the new members of the committee. Rasmussen explained demerit points.

Communications

Rasmussen indicated we received a letter from a concerned resident regarding the Honor Flight Fun Run that takes place at Bull Falls Brewery. This particular event happens during the day with the run and then a live band. This resident was very concerned with the volume of the band and the length of time it played. She noted she attended this event and she did observe the band to be very, very loud. Discussion followed. Rasmussen suggested there be a dialogue with the organizers of the event next year when they submit their application.

HEARING on Rent Abatement Application of Maareeny Edwards concerning 1015 N 5th Street. (Nou Vang Thao and Eileen Thao - Landlords)

The clerk swore all of the witnesses under oath that were present to give testimony.

Maareeny Edwards presented her case in which there was a leak from the ceiling into the cupboard. She stated it took the landlords two months to come and look at it. She presented pictures and stated it continued leaking off and

on the two years of their tenancy. She also stated there were bedbugs from the upstairs tenant's apartment that moved down into hers and the basement was always wet. She stated they were evicted after turning the landlord in to the Inspections Department. Alfonso questioned the complainant regarding rent payments. Cliff Ambriz, Inspections Department, reported his findings upon an inspection of the apartment. He observed water damage to the ceiling above the cupboard and a wet basement but he did not observe any live bedbugs.

Nou Vang Thao and Eileen Thao, Landlords, responded to the complaint stating the leak may have been caused by the upstairs tenant overflowing the tub. He indicated he checked the upstairs apartment and could not find any leak and did not know where it could be coming from. He stated the water in the basement was her fault. He stated he tried to do his best to take care of his apartments. He indicated he asked her to move so he could find the problem by cutting the ceiling. Eileen Thao stated an exterminator did not find any bedbugs. Nou Thao stated Ms. Edwards did not want to move and quit paying the rent and was subsequently evicted in court for nonpayment of three months' rent. Alfonso followed up with questions of the landlords and Ambriz.

CLOSED SESSION pursuant Wis. Stat. §19.85(1)(g) Conferring with legal counsel for the governmental body who is rendering oral or written advice concerning strategy to be adopted by the body with respect to litigation in which it is or is likely to become involved relating to W.M.C. §16.04.039, Residential Rental Licensing and 2015 Act 176.

Motion by Kellbach, second by Peckham to convene into closed session. Roll Call Vote: Ayes: Peckham, McElhaney, Wagner, Kellbach, Rasmussen. Motion carried 5-0.

RECONVENED back into Open Session at 8:00 pm.

Rasmussen read the findings of fact and conclusions of law indicating that the committee found the tenant was not eligible for rent abatement and is denied.

Adjourn

Motion by Kellbach, second by Peckham to adjourn the meeting. Motion carried unanimously. Meeting adjourned at 8:10 pm.
