PUBLIC HEALTH & SAFETY COMMITTEE

Date and Time: Monday, May 16, 2016 at 5:15 pm, (Council Chambers)

Members Present: Rasmussen, Wagner, Kellbach, McElhaney

Members Excused: Peckham

Others Present: Alfonso, Rayala, Hardel, Kujawa, Goede, Mielke, Darryl Landeau.

It was noted that there was a quorum present and the meeting was called to order by Toni Rayala, City Clerk. Members of the committee were introduced and new members welcomed.

Minutes of previous meeting(s). (3/21/16 & 4/25/16)

Motion by McElhaney, second by Kellbach to approve minutes of a previous meeting (3/23/16 & 4/25/16). Motion carried 4-0.

Consider various license applications

Rasmussen indicated there were denial recommendations for Transport Driver Licenses for Adam Daniel and Stacey Solomon. It was noted that Stacy Solomon was not present.

Adam Daniel, 1108 Steuben St, addressed the committee to appeal the denial recommendation. He stated he made a poor choice last year and was dealing with the consequences and trying to move forward on a positive path. He was offered an opportunity in this job and enjoys providing this service to the community.

Chief Hardel explained Mr. Daniel had two felony convictions, one for possession of cocaine and one for bail jumping. He noted there were a number of other charges, including felony charges that were waiting to be resolved. He questioned if they had been resolved and Daniel stated that the case is closed and he has been placed on probation and has been participating in AOD counseling at the Health Care Center. He stated he is cooperating with everything he has been asked to do and has separated himself from certain people. He commented he enjoyed transporting the disabled for Community Care. Hardel commended him for the changes he has made in his life and although his concern was that the felony convictions were fairly recent, he would not oppose the committee if they overruled his recommendation.

Rasmussen stated taxi drivers are often tasked with picking up people at bar close who are impaired and incapable of making reasonable decisions. She felt since the convictions were not even a year old, it was not enough time for him to show a change in behavior. Daniel noted he would not be picking up at bar time because he works the day shift. Wagner agreed the problems were too recent and he might have felt better about it if it were a few years out. Daniel indicated his counselor and probation officer were supportive of this employment. McElhaney felt it was important if the people and organizations rehabilitating him were supportive and maybe we need to give him a chance. Rasmussen reiterated it really had to do with the length of time that has passed since the violations occurred and more time was needed to prove real change.

Motion by Wagner, second by Kellbach to approve or deny the licenses as recommended by staff. Motion carried 4-0.

Discuss County/City Hazard Mitigation Plan - Darryl Landeau

Darryl Landeau stated the plan includes all of the cities and villages in Marathon County; FEMA guidelines require that all counties and municipalities approve and adopt Hazard Mitigation Plan every five years. He indicated it was a multi-jurisdictional project with the county and all of the local units and this is the third update Marathon County has done. Last time a survey was sent out to the municipalities, but this time they were trying for more of a face to face approach. He asked for feedback through a variety of questions as to what the city was most concerned about in relation to natural hazards or disasters. Discussion took place regarding particular areas and/or facilities in the city that would be vulnerable to a disaster, as well as identifying and designating shelters. Landeau stated once they have met with all the communities and wrapped up the plan into the draft, it will be forwarded to the city to be considered for adoption by Council.

Operations Report from Fire Department for April 2016

Wagner questioned if there were any clients for the Community Paramedic. Kujawa indicated they got their third client today; it has been a little slower than anticipated. They are working with Dr. Mirek and Aspirus to get more patients involved.

Tavern Activities / Compliance Checks / Law Enforcement Activities

Hardel presented the Tavern Report for April 6, 2016 through May 8, 2016

Rayala stated she received an update from Bill Hebert, Inspections Department, regarding Pizza Bites on E Wausau Avenue. The bathroom passed inspection, but it was still taped off. The kitchen is not functioning and there has been no certification from the Health Department for it to be in operation. She noted Bill Hebert did observe five gambling machines that were up and running with customers sitting at them. The Class B license has not been issued for the premise. Hardel indicated he would meet with his captains and decide a course of action regarding the use of the illegal gambling machines.

Communications

Rasmussen stated there were a couple things coming at our June meeting: 1) a report from staff on the new refuse & recycling service with feedback; and 2) a potential change to alcohol policy on The 400 Block in response to issues downtown. She indicated at the July meeting there will be a presentation and Q&A session with the director of the Methadone Clinic.

Adjourn

Motion by McElhaney, second by Kellbach to adjourn the meeting. Motion carried unanimously. Meeting adjourned at 6:10 pm.
