PUBLIC HEALTH & SAFETY COMMITTEE

Date and Time: Monday, July 18, 2016 at 5:15 pm, (Council Chambers)

Members Present: Rasmussen, Wagner, Kellbach, McElhaney, Peckham

Others Present: Alfonso, Rayala, Kujawa, Goede, Mielke, Nutting, Smith, Gehin, Valerie Charneski, Melissa Dotter, Nancy Ellis, Elizabeth Field, Chungsou Her, and other interested parties.

Discussion and possible action regarding extension of Class B Beer & Liquor license for Val-Roc, LLC.

Rasmussen noted the committee has issued a couple of extensions of the Class B Beer & Liquor license for the “Sweets on Third” premise because they were in the process of relocating to a new premise. They were unable to get into the existing premise due to an issue between building owner and insurance company regarding repairs following a fire.

Valerie Charneski explained the ongoing issue with the Sweets on Third original location. She indicated she was now in the process of a buildout on the main floor of the Dudley Building. She referred to a letter to that effect provided by the Dudley Tower management. She stated as soon as it is possible to have a space to open with, she will begin business with gift baskets, sweets and chocolate; she hoped to be able to open by August 1, 2016.

Rasmussen stated the next PH&S meeting is August 15th and an extension could be considered pending an update at that meeting to determine if the business is operational. Wagner commented the circumstances were completely out of her control and encouraged the committee to work with her.

Motion by Wagner, second by Kellbach to approve the extension for the Class B Beer & Liquor License of Val-Roc, LLC, and staff will provide an update on the progress at the August 15th meeting. Motion carried 5-0.

Presentation by WCTC (Wausau Comprehensive Treatment Center) Clinic pertaining to medication assisted drug treatment services. (Nancy Ellis)

Melissa Dotter, Marathon County AODA, introduced the subject of addiction followed by a PowerPoint presentation on the Wausau Comprehensive Treatment Center in Wausau by Nancy Ellis. (Presentation and handouts on file in the Clerk’s Office.)

Rasmussen stated there were concerns with client parking, which should be in the JC Penney ramp and not on 3rd Street. Ellis indicated the counselors have discussed this with patients and are reminding them to park in the ramp. Rasmussen commented there were also some issues with loitering, however, they may not all be clients of the clinic. Ellis stated the committee and or other alderpersons are welcome to tour the clinic by appointment or at an upcoming open house, date not yet decided.

Consider various license applications

Rasmussen stated the denial recommendation for the Operator’s License of Jameson Diedrich was referred back to committee pending the outcome of his court hearing. It was noted that Jameson Diedrich was not present.

Rasmussen stated there was a Pet Fancier Permit that has been referred back to the committee. Rayala explained Humane Officer Bishop is related to the applicant and felt it was a conflict of interest to make a recommendation and the CSO assigned was looking for direction. Wagner requested it be pulled off the list and defer it to next month’s meeting with some additional input from the police department.

Motion by Kellbach, second by Peckham to approve or deny the licenses as recommended by staff. Motion carried 5-0.

NOTE: Rayala had stepped out of room for a phone call during this item but spoke later that she wanted the committee to know that Jameson Diedrich did contact her last Friday by email stating he had his court date, but there was still another one left on July 25th and questioned if this was after the PH&S meeting. She informed him the meeting was on the 18th and did not meet again until August 15th. Rasmussen stated he can always re-apply anytime following the conclusion of his case.

Consider Central Business District Obstruction Permit (St. Clair's Menswear)

Rasmussen stated they would like to place a moveable sign outside in front of the store.

Motion by Peckham, second by McElhane to approve the obstruction permit for St. Clair's. Motion carried 5-0.

Discussion and possible action on review of ordinances pertaining to sale of live animals at open markets

Wagner stated the Wausau World Market has indoor activities and booths for entrepreneurs and it will be open a few days a week for various types of markets. It is important for the Hmong community to buy live adult birds.

Chungsou Her, owner of Wausau World Market, stated many people have asked him to bring back the sale of live animals like was done in the 1980's. He explained they would be purchased to be taken for processing to a fresh meat market. Wagner stated we need to have a permit with clear requirements for vendors and the perception needs to be explained to those who are not buying them. Her stated he may only do this a couple times a year or if there is more demand, once a month.

Rasmussen suggested that Wagner and Chungsou Her work with Alfonso to research this and come up with a permit process and rules to be brought back to committee for discussion. Peckham felt they should also contact the County Health Department for information as well.

Operations Report from Fire Department for June 2016

Wagner questioned the status of the Community Paramedic program. Kujawa indicated it started out slow, so we re-met with Aspirus to try to get the word out more and now activity has picked up.

Tavern Activities / Compliance Checks / Law Enforcement Activities

No report this month.

Hardel stated the District Attorney has cleared Officer Jim Martin of any charges regarding the shooting that occurred April 30th at 725 Gilbert Street.

Communications

None.

Motion by Peckham, second by Kellbach to adjourn the meeting. Motion carried unanimously. Meeting adjourned at 6:30 pm.

Update regarding Class B Beer & Liquor license for Val-Roc, LLC

Goede read an email from Valerie Charneski indicating she has ordered the stock and the health inspection is scheduled for August 26th.

Request for waiver of fence requirement for Apiary (Beekeeper) permit (Renee Tesch)

Rasmussen stated we have allowed this before when the beekeeper can implement it without the required fencing and in this case the bees are on the rooftop, so no fence needed. Rayala noted the humane officer has inspected and signed off on this.

Motion by Wagner, second by Peckham to approve the waiver. Motion carried 5-0.

Discussion and possible action regarding amendment to Wausau River District Central Business Obstruction Permit

Rasmussen explained Main Street has applied for a permit to place a piano outdoors for public use. She noted this has already gone through Inspections and Engineering and have worked with Lindman on the placement. Peckham indicated one piano was ready and they were looking for another. It will be placed downtown seasonally. Wagner commented he saw this in Denver and it was the coolest thing to happen in Wausau in a long time. He added they don't need to be removed in winter, just covered, and the people can play and sing Christmas carols.

Motion by Wagner, second by Peckham to approve the obstruction permit for the piano. Motion carried 5-0.

Discussion and possible action regarding amending Section 9.04.025 Consumption or possession of intoxicants on streets and amending Section 9.20.020 Regulation of persons

Rasmussen stated this is a housekeeping item; we restricted open consumption on The 400 Block to hours after 4:00 pm., and following implementation it was requested we allow event organizers who do not want open intoxicants brought in the ability to not allow carry-ins at their event.

Motion by Wagner, second by Kellbach to approve the amendments. Motion carried 5-0.

Operations Report from Fire Department for August 2016

Report placed on file.

Tavern Activities / Compliance Checks / Law Enforcement Activities

Chief Hardel presented the Tavern Reports from June 13, 2016 through July 14, 2016 and from July 14, 2016 through August 10, 2016 (*See attached.*)

Hardel stated the Cabaret bar had a fire and was assessed 50 demerit points because of what precipitated the fire. He explained there was a conflict between a couple of patrons a few days before in which a fight occurred inside the bar and moved outside. The bartender witnessed a knife being pulled out during the fight and threatened to call 911, but never actually did. He stated it is our expectation these types of incidents be reported in a timely fashion and it may even have prevented the fire.

Hardel stated the last couple years we have had concerns with the VFW beer tent at the fair. We conducted another compliance check this year and they served a minor one of the nights. He indicated Lt. Graham went and spoke with the Fair Board and with the VFW agent. The conversation went well and they guaranteed us it would not happen again; they were warned there would probably be another compliance check and to be prepared, but they failed again. On the first night the security personnel they hired failed and on the second night the person served did not have a wristband, which was the fault of the security personnel and the bartender for serving. He indicated there was a follow-up conversation with Dan Southworth from VFW and he was very apologetic. He felt the administration is very different from previous years and is very cooperative with us. He read a letter of apology from Dan Southworth of VFW. Rasmussen commented we required the VFW to hire private security this year, so VFW is going to deal with that company and its failure.

Communications

Peckham stated Ashlee Bishop, Humane Officer, is considering establishing a Facebook page for animal control for people to report animals running loose. Many people are currently commenting on Facebook about animal issues. Hardel encouraged people to call the non-emergency number.

Adjourn

Motion by McElhaney, second by Peckham to adjourn the meeting. Motion carried unanimously. Meeting adjourned at 5:40 pm.

NOTABLE INCIDENTS AT TAVERNS TO WHICH POLICE WERE DISPATCHED.

Bob and Randy's (B&R) Bar, 1515 N. 6th Street

- (1) *Case #16-5994, 06/23/16 at 3:16 PM:* Officers responded to a report of one vehicle backing into another in the parking lot of the tavern. Minor damage was observed, and the people involved exchanged names.
- (2) *Event #160085468, 07/11/16 at 1:06 AM:* Officer driving south on 5th Street observed fireworks going off overhead. When he drove to the area he thought the fireworks were coming from (Franklin School playground/lot), he saw smoke coming from the area where people were standing outside in front of the bar. Officer made contact with those people but no one admitted to shooting the fireworks off and no one was seen to be in possession of fireworks. There was no further enforcement action taken.

Cop Shoppe Pub, 701 Washington Street

- (1) *Event #160075565, 06/19/16 at 11:05 PM:* A named citizen called to report that there were five fifteen year old girls buying meth behind the bar. Officers checked the immediate area and did not locate anything. One female was stopped walking several blocks away, and admitted having gone by the Cop Shoppe Pub, but would not consent to a search of her purse, and was released. There was no further enforcement action taken.
- (2) *Case #16-6108, 06/27/16 at 2:10 AM:* **A bartender** called in a fight that was occurring in the tavern. Officers responded, but the aggressor had left prior to Officers' arrival. The suspect was apprehended by the Marathon County Sheriff's Department after crashing his vehicle. He was charged with Disorderly Conduct and Battery from the incident at the bar.
- (3) *Case #16-6352, 07/03/16 at 1:12 AM:* **A bartender** called Police after a male came into the establishment and made threats ("I have shot women like you...") when the bartender would not serve the male because he did not have the money for the drink. Another male patron escorted the problem customer out of the establishment, after which the suspect threatened to come back and shoot the assisting customer. It was at that time the Police were called. Officers checked the area for the suspect but were unable to locate him. The investigation is continued and if identified, the male would be charged with Disorderly Conduct.

Domino Bar, 740 Washington Street

- (1) *Event #160086450, 07/13/16 at 12:42 AM:* A caller that refused to identify themselves reported that there was a suspicious vehicle in the parking lot. The operator of a white Jeep parked the vehicle in the lot, let the air out of the tires and left it. Officers responded and made phone contact with the owner. He admitted to letting the air out himself and would tell them more information when meeting them at the PD the following day. He was warned that the business could have his car towed as abandoned if he did not move it soon or make arrangements with the business. He failed to show for a meeting and has an outstanding warrant for his arrest if he is located.

Glass Hat Bar, 1203 N. 3rd Street

- (1) *Case #16-6703, 07/11/16 at 10:53 PM:* Officers driving by noticed an open bottle of beer on the ground next to a male and female standing outside in front of the bar. They stopped and spoke with the two. The male admitted that he brought the bottle of beer outside from inside the Glass Hat to smoke a cigarette. The male also had a warrant for his arrest. He was cited for Liquor on Street and taken to the Marathon County Jail for the warrant. **There is no notation that this was addressed with the bar employees at the time, so no Demerit Point were assessed at this time for Leaving with Open Container (25 Demerit Points).**

Malarkey's, 412 N. 3rd Street

- (1) *Case #16-5853, 06/19/16 at 4:00 PM:* **Bar owner** called to report that a woman had just urinated in the cigarette disposal receptacle. Officers responded and located the woman. She was issued a citation for Disorderly Conduct.
**Please note that there are several CAD entries in which Malarkey's is used as a common location, even though the incidents are actually involving the 400 Block. One of which was a woman cited for Liquor on Street, after she brought an open bottle of beer from the 400 Block towards Malarkey's to use the bathroom. She made a rude gesture to the CSO that cited her after she had been allowed to use the bathroom without her beer. Another was a fight called in by CSOs at one of the Concerts on the Square, in which an intoxicated male took a chair from a group already sitting down and then pushed one of the members of the group when challenged over the chair. One other incident was listed; however I was unable to determine the source of the incident, or its nature.

Oz, 320 Washington Street

- (1) *Event #160076071, 06/21/16 at 12:47 AM:* Bartender called to report a passing vehicle had thrown eggs at the property and people outside the bar. The vehicle was not located and extra patrol was requested.
- (2) *Event #160079354, 06/27/16 at 11:09 PM:* Bartender called to report that there was a customer threatening others in the bar, attacking a bike and standing in the road yelling. The male left the scene prior to Officers arrival and was not located. Call was received at 10:30 PM, and for some reason was not dispatched until 11:09 PM.

Cabaret Bar, 204 E. Rib Mountain Drive

- (1) *Case #16-5810, 06/18/16 at 1:10 AM:* Officers stopped by the bar for a bar check. They found one of the patrons smoking a cigarette in the bar. The bar had been warned on occasions in the past. The patron was cited as was the bartender. No Demerit Points Assessed, as there is no applicable category in the schedule.
- (2) *Event #160076591, 06/22/16 at 2:44 AM:* A caller that refused to identify themselves reported a suspicious vehicle in the parking lot after closing. It had its lights on at some point, was parked near the dumpster that wasn't a usual parking stall and reported that a male was getting in and out of the vehicle. The car had been there almost an hour. Officers responded and made contact with a male and a female, who stated they had been sleeping in their vehicle because they were too intoxicated to drive home. A cab was called and the couple left in it.

Christine's Bar, 936 S. 3rd Avenue

- (1) *Case #16-5773, 06/17/16 at 11:38 AM:* A citizen called to report what she perceived was a sexual assault that took place in the bar on 06/11/16. Based on the events as described (a male subject used his foot to lift the edge of the skirt of the reporting person, without making any physical contact), it was determined not to be a sexual assault, but rather a disorderly conduct offense. The Officer is still investigating the incident.
- (2) *Event #160086821, 07/13/16 at 9:31 PM:* A citizen reported that there was dog fighting going on at that moment at the bar. Officers responded and inspected the premises. No evidence of dog fighting was located. Officers made contact with the reporting person, who claimed that a third, unnamed, person had called her and told her the information. She felt obligated to call us in the event that it was actually occurring. **UNFOUNDED**

Eagle's Club, 1703 S. 3rd Avenue

- (1) *Event #160075455, 06/19/16 at 6:44 PM:* A caller that refused to identify themselves stated there was a male in the bar that was on a "no-drink." The name provided by the caller was unable to be verified. It was determined that due to an event that was going on at the time, and the poor information, no further follow up was conducted.

Roc's Place, 810 S. 3rd Avenue

****NOTE:** Management at Roc's Place has asked Officers to conduct regular walk-throughs of the business in an attempt to prevent problems. This heightened awareness has led to Officers contacting people without the bar calling. There were also several walk-throughs conducted in which there were no problems at all.

- (1) *Case #16005813, 06/18/16 at 01:40 AM:* Several calls were received regarding a fight that was active in the street in front of the bar. While Officers were responding, the fight broke up and one suspect had left the area south. He was located a short distance away and was arrested for disorderly conduct and resisting an officer. The other male was not located.
- (2) *Case #16-5811, 06/18/16 at 1:51 AM:* Officers conducted a field interview stop of a male that was hiding behind cars in the west side of the parking lot of the bar. He was arrested after being found to be on active probation, and in violation of his probation rules by drinking.
- (3) *Case #16-5865, 06/20/16 at 1:05 AM:* A citizen called to report being the victim of a battery that occurred in the parking lot of the bar after being set up by acquaintances to meet there. Domestic Battery charges were sought against a male suspect and a female suspect was taken into custody.

Campus Pub, 1110 W. Campus Drive

- (1) *Case #16-6180, 06/28/16 at 7:14 PM:* An alcohol compliance check was conducted at the tavern. The bartender sold an alcoholic beverage to the volunteer. The bartender was cited, and Demerit Points (25) were assessed.

Labor Temple, 318 S. 3rd Avenue

- (1) *Event #160080731, 06/30/16 at 7:46 PM:* Officers and an ambulance responded to the tavern after being called by **an employee** regarding an intoxicated male that was unable to communicate with the staff. It turned out the male was deaf and intoxicated (.251% PBT). He was already under an existing

alcohol commitment, so he was transported to the Health Care Center. It is unclear if he had been drinking anything at the Labor Temple.

ALCOHOL BEVERAGE DEMERIT POINTS ASSESSED

- A compliance check operation was conducted on June 28th, 2016. Two taverns sold to the underage volunteer: **Campus Pub** and **Limmerick's**. Citations were issued to the servers, and Demerit Points were assessed (25 each).
- Several establishments had Points fall off last month (**Loppnow's** dropped down to 25, Glass Hat and It's Our Clubhouse and Yours dropped down to 0).

It turned out that the male was assisting the female as she recovered from a minor seizure. The female declined the need for medical attention. Parties were released with no Law Enforcement action taken.

VFW Post 388, 388 River Drive

- (1) *Event #160092843, 07/27/16 at 2:22 AM:* Officers were flagged down by a taxi driver who reported seeing an individual slumped over the wheel of a van at the VFW behind the jet. The Officers responded but were unable to locate the vehicle.
- (2) *Event #160092935, 07/27/16 at 9:56 AM:* **Bar staff** called to report suspicious activity behind the building. They reported thinking that there was a drug deal that was occurring at the time. Contact was made with the two people, and they said they were talking and texting on their phones and denied any drug activity. The reporting person did not see an actual drug transaction, but noted that there had been more suspicious activity as of late.

- (3) *Event #160096315, 08/03/16 at 4:46 PM:* Owner reported suspicious people behind the bar. Officer made contact, and one was a female previously contacted in a similar call. They were sitting there on this day charging their phones and using the wifi. The woman consented to a search of her purse, which located some prescription medication that was not hers. The medication was later disposed of, and the woman was warned about being in possession of someone else's prescription drugs.

Cabaret Bar, 204 E. Rib Mountain Drive

- (1) *Case #16-7454, 08/04/16 at 4:56 AM:* Officers responded to a report of a structure fire at the bar. Investigation led Detectives to believe it was suspicious in nature. They further discovered that there had been an altercation on the property on 07/24/16. This resulted in the owners (Brenda and Joseph Calhoun) "banning" some males that were involved in the fight. On 07/25/16, some of the males involved attempted to return to the bar, but were not allowed in. This upset the males, and the owners had heard rumors that those males were planning to "get back" at the bar for kicking them out. The owners were not present at the time of the fight. The bartender that was present, Lisa Fischer, spoke to Detective Pauls regarding the incident. She reported that one male started a fight with another patron. The fight started inside the bar but moved outside to the roadway, at which point the instigating male pulled out a knife. The bartender failed to call the Police the entire time, and Detectives only learned of this altercation while pursuing the reported fire. A discussion of whether or not the bar is assessed Demerit Points (a potential of 100 Points) for failing to notify the Police will ensue.
- (2) *Case #16-7510, 08/05/16 at 12:27 PM:* This is the case number that was generated by Det. Pauls to document the fight that occurred on the night 07/23 to 07/24/16 at the bar and had gone unreported until the fire investigation discovered the information. The male suspect has been taken into custody after turning himself in.

Christine's Bar, 936 S. 3rd Avenue

- (1) *Event #160087812, 07/16/16 at 2:08 AM:* A named citizen called to report what was believed to be a fight outside the bar possibly involving three people after hearing them screaming at each other. Officer arrived and located who they believed had been involved. They stated they were father and son-in-law, and were arguing about old issues. Officers checked with patrons and bartenders, all of whom stated they did not see an altercation.

Den Mar, 601 W. Thomas Street

- (1) *Event #160098670, 08/08/16 at 6:38 PM:* An anonymous caller reported that there was a fight outside the bar. Names of possible suspects were provided. When Officers arrived on scene, there was no fight located. They checked Den Mar and Tremor's for those suspects, however they were not located.

Eagle's Club, 1703 S. 3rd Avenue

****NOTE:** There were no calls for service that included the bar itself during this time period. There were several calls involving DC Everest Park that ranged from suspicious activity to parking complaints because of the number of people playing Pokemon Go in the park. Apparently it is a supercharged monster hot-spot.

Roc's Place, 810 S. 3rd Avenue

****NOTE:** Management at Roc's Place has asked Officers to conduct regular walk-throughs of the business in an attempt to prevent problems. This heightened awareness has led to Officers contacting people without the bar calling. There were also several walk-throughs conducted in which there were no problems at all.

- (1) *Event #160091003, 07/23/16 at 2:23 AM:* Officers responded to a call from an intoxicated citizen that reported he was threatened by a male and a female as he was riding his bike past the bar. Officers actually observed the reporting person yelling at passing traffic just prior to making contact with him. They also spoke with the male and female believed to have been described by the male, however they were cooperative, denied yelling at the cyclist and described him as yelling at every car and person he passed by. No Law Enforcement action taken.

Campus Pub, 1110 W. Campus Drive

- (1) *Event #160093943, 07/29/16 at 1:43 PM:* **Bartender** called to report a male that refused to leave the bar. While waiting for Officers, he threatened the bartender. Officers responded and located the male

as he was outside the bar as he was getting into the taxi. The bartender explained that the male had arrived to the bar that intoxicated, and he refused to serve him, which angered the male. Officers warned the male about making any further threats and sent him home in the cab.

Cruisin 1724, 1724 Merrill Avenue

- (1) *Event #160098050, 08/07/16 at 2:21 AM:* **Bar employee** called to report a fight at the business involving four people. Officers were on scene within three minutes, however reported seeing no one fighting. Reporting person stated all involved fled before Officers arrived. The Officers checked the surrounding area but were not able to locate anyone involved. No Law Enforcement action was taken.

Showtime Gentlemen's Club, 1709 Merrill Avenue

- (1) *Event #160095574, 08/02/16 at 12:36 AM:* **Bar employee** called to report that a patron was complaining of having been punched. There was screaming heard in the background of the call. Officers responded and investigated the incident. A different employee was dancing, during which the patron started calling her names. She struck the patron with her wallet. The male left the bar, and the bar was no longer interested in pursuing any charges, either. No Law Enforcement action was taken.

ALCOHOL BEVERAGE DEMERIT POINTS ASSESSED

- A compliance check operation was conducted at the beer tents at the Wisconsin Valley Fair. The Noon Optimist tent and the VFW tent were both checked. On 08/04/16, the Optimist tent denied entry to the underage volunteer, but the VFW allowed the underage volunteer in and served alcohol to the volunteer. The security guard and the server were both cited. Another compliance check was conducted at the VFW on 08/05/16, since they had failed the previous night. A new underage volunteer was utilized, and was able to enter the tent and be served again. A different security guard and a different server were both issued citations. On 08/06/16, another operation was conducted at the VFW tent, with a different volunteer. This time, the volunteer was denied entry. The citations issued were for Allowing Underage Person on Premises (security at the door) and Sell Alcohol to Underage Person (server).
- Several establishments had Points fall off last month (**Campus Pub** dropped down to 25 Demerit Points, **Eagle's Club**, **Loppnow's**, **Malarkey's** and **Milwaukee Burger Company** dropped down to 0).

Respectfully submitted,
Lt. Michael Felder

COMMENTS ON AMENDMENT TO SECTION 8.08.010, CERTAIN CREATURES FORBIDDEN, PERMITTING SALE OF LIVE POULTRY AT MARKETPLACES

- Currently W.M.C. §8.08.010 prohibits bringing into, keeping, harboring, or maintaining farm animals within the city limits. For purposes of this ordinance, farm animals includes poultry and fowl normally raised on farms and used or intended for use as food such as chickens, ducks, and turkeys.
- The Wausau World Market has requested the Public Health & Safety Committee and the City's Common Council to consider permitting vendors at the Wausau World Market to sell live poultry.
- The proposed amendment to Section 8.08.010 would permit "marketplaces" to sell live poultry and other farm raised game birds on market days in accordance with certain provisions geared to protect the health and safety of the public as well as the animals. Marketplaces would include establishments such as the Wausau World Market, farmer's markets, and flea-type markets to sell such birds.
- The amendment *does not* envision permitting establishments such as corporate/commercial retail grocery stores to sell live fowl or poultry.
- A permit would be required to be obtained by the sponsor of the marketplace or owner or lessee of the property on which the marketplace is located. As currently drafted, the permit would not need to be renewed annually but would be valid until and unless revoked.
- The Committee would need to propose an amount to be charged, if any for the permit.
- There are not many State of Wisconsin laws or regulations governing the sale of live fowl. However, poultry and game birds sold or moved within Wisconsin must be enrolled with the Department of Agriculture Trade and Consumer Protect as Wisconsin tested flocks or Wisconsin associate flocs or with the National Poultry Improvement Program. In order to be enrolled, among other things, a bird owner must test annually for Salmonella pullorum, fowl typhoid, and in the case of turkeys, Mycoplasma gallisepticum. (Birds raised by individuals for their own use, or selling dressed poultry or eggs for eating, do not require testing).
- Additionally, State of Wisconsin law and regulations require a person keeping livestock at a location within the state to register the location as a "livestock premises" pursuant to Wis. Stat. s. 95.51 and the regulations promulgated thereunder. For purposes of livestock premises registration, the definition of livestock includes poultry.
- Any person violating the provisions of the ordinance would be subject to a forfeiture not to exceed \$200.00 plus court costs (a total at this time of \$313.00) as the penalty structure of Title 8 is currently structured. A different forfeiture, however, could be established. Furthermore, the permit for permitting sale of poultry would be subject to revocation or suspension. - (2) *Case #16-8525, 09/04/16 at 2:11 AM:* Dispatch received a 9-1-1 call with an open line. Loud music was heard, and then the phone hung up. Officers responded to investigate the call and made contact with the bartender, who pointed them to a male patron that was found to be suicidal. He was taken for evaluation to HCC.

El Jalapeno's Restaurant and Bar, 300 N. 3rd Street

- (1) *Case #16-7801, 08/14/16 at 1:32 AM:* A large fight was called in by a patron. Several Officers responded, including Officers/Deputies from assisting agencies. The report was that there were glasses and bottles being thrown. The fight was over when Officers arrived, and no one was able to provide enough information regarding the suspect(s) to make any arrests. A total of six people were injured as a result of this incident. The fight began in the bar when one male patron accused another male patron of watching him dance. The instigating group of patrons was described as "Puerto Rican." This specific group of people has been in the bar in the past and caused problems before. To my knowledge, no employee of the bar contacted the Police. At least two employees, to include a bouncer, attempted to intervene and remove the fight from the bar. It then continued outside the bar on the sidewalk parallel to Washington Street.

- (1) *Event #160100630, 08/13/16 at 2:11 AM:* **Bouncer** contacted Police to complain about a patron that would not leave the bar when asked. He had been harassing the bartender the entire time he had been in there, and she did not feel safe. The male left before the Officers arrived, and the bar staff was told to call back if he returned. A bartender came to the Department later in the day to report that the male was an ex-boyfriend and has been harassing her (Event #160100800).
- (2) *Case #16-8268, 08/28/16 at 2:45 AM:* A bar patron called to report that his vehicle that was parked behind the bar had been damaged. A side mirror had been broken and the car was keyed. It was believed to have been done by a disgruntled patron that had been denied service after closing time. - (1) *Event #160105487, 08/24/16 at 4:57 PM:* **Bar employee** called to report that they had an unruly customer that they removed from the tavern. He left, but threatened to come back and kill the bartender. The male was not known to the employees and described as possibly homeless. Extra patrol was requested by the bar. Christine's Bar, 936 S. 3rd Avenue

- (1) *Event #160110665, 09/05/16 at 2:07 AM:* Officer on patrol noticed that the bar was still open for business after the 2 AM closing time. Upon going into the bar, the Officer observed people still being served when he entered at approximately 2:10 AM. The bartender stated she was confused about whether or not Sunday was included in the weekend closing hours. She started removing people immediately and was very cooperative. There were about ten people in the bar area and about fifteen in the lower pool hall area. All left cooperatively. I spoke with the owner on 09/08/16. She was very concerned about the problem and promised to address it with her employees and emphasize the closing hours. **Twenty-five (25) Demerit Points were issued as a result of the violation.**

Roc's Place, 810 S. 3rd Avenue

****NOTE:** Management at Roc's Place has asked Officers to conduct regular walk-throughs of the business in an attempt to prevent problems.
