### Minutes from the December 2, 2013 Meeting

This meeting was our annual holiday gathering. We enjoyed homemade treats including cookies, bars, and coffee along with great conversations and best wishes for the upcoming holiday season.

Romey provided updates on a number of topics while we enjoyed all the goodies.

- The budget for the City of Wausau was passed, including \$25,000 for the Boys and Girls Club and funding for 2 more Community Service Officers and 1 Building Inspector to continue combatting blight and drugs in the City.
- The City of Wausau accepted the donation of the Wausau Club building with various restrictions, including a time limit for the Economic Development Department to find a developer for the property and a requirement that the City Council must approve the planned development.
- There will be more activity in developing the East Riverfront area (the area from the Eye Clinic north to Bridge Street) in the future.

Our next meeting is scheduled for Monday, January 6, 2014.
