Minutes from the April 7, 2014 Meeting

We had no set agenda but did discuss a variety of topics.

- One of the rental properties in our neighborhood seems to generate a great deal of noise after midnight (and into bar time) on Friday and Saturday evenings disrupting nearby households. Our neighborhood officer reminded us to report these incidents by calling the non-emergency Police Department telephone number.
- It was suggested that bus stop signs include information on an approximate time buses will arrive at that particular stop. A request was made for a small bench at the bus stop on Grand Avenue across from the Towers.
- The owner of the Grand Avenue property that recently had a devastating fire would like to see the site utilized in a positive manner (community garden or a new home).
- We will try to have someone from Crossroads Community Services speak to us about their organization at our meeting next month.
- Our next meeting is scheduled for May 5, 2014.

From My Desk to Yours . . . Anne Heidemann, President, Longfellow Neighborhood

I have spoken with the appropriate City department about having to have a bench placed on the vacant lot on the southeast corner of E. Thomas Street and Grand Avenue. Please bring some design suggestions to the meeting on how best to incorporate our neighborhood name on the bench and/or landscaping that will make this a nice entrance to our neighborhood.

Romey Wagner, District 2 Alderman

Thanks for the support on my reelection bid for the neighborhood. I will be proud to represent you for the next two years. Please keep me informed of your concerns and as always, stay safe and healthy.
