

## SW Jones District Newsletter

On January 15<sup>th</sup>, 2014, we had the opportunity to tour the new addition to the Bull Falls Brewery. Mike Zamzow was kind enough to give us the tour to our small group. How they have expanded within just a few years and now having the bars and restaurants in area serving their beer. It is still a quiet area for testing the beer and having a nice conversation with friends. Kudos to Mike and his family on having such a fine establishment in our community.

The meeting on Wednesday, February 19<sup>th</sup>, at 5:30 pm will be at GD Jones School. Officer Kindlarski will be giving the monthly reports of activities in our district as well we can ask questions on what transpired at the West Side Police Sector meeting on February 4<sup>th</sup>. Although I was only able to attend an hour, Judy and Virgil were there as well and could give some input of the overall conversation that took place. I have also asked someone from the Marathon County Jail to speak on the latest updates at the courthouse and jail.

Next month I am finalizing having Janelle Selenske from Aspirus speak on Telemedicine that our city has available to us as well as the Aspirus in the U.P area. A new technology so that patients with medical issues will be able to stay in their home yet the data can be transmitted to the nurse/doctors line daily for any changes to medication or needing to come in for further review.

Election this year is April 1<sup>st</sup>. Such an appropriate date! So remember to vote. There is no one running against me so you will have to suffer with me for another two years, ha, ha. I appreciate all your support you have given me for the past 8 years and I have had the pleasure of serving you. Thank you for your continuous support. My continuous issue is completion of Thomas Street, keeping our city safe, obtaining growth potential for our economy with jobs and new businesses, and making sure we meet the Life Report objectives.

I will also have applications for the Ride-a-long program, if anyone is interested. Please bring suggestions for future speaker or agenda items.
