

## SW Jones District Neighborhood

A "Thank You" to all who attended our annual picnic on September 21. We had a very good attendance and all enjoyed the meal and information from the Sheriff's Department. I hope we can continue with all attending future meetings. Our picnic turned out great with excellent food to share among the 32 that attended.

A special "Thank You" to Deputy Sheriff Scott Parks, Captain David Mason, Lieutenant Greg Bean, and Lieutenant Chad Billeb for sharing the information about the SWAT and Bomb trucks. Also, kudos to Lt Billeb for the current information on the Interlocking Ignition Device (IID).

On October 19th, we will be having Social Services speak on their department and what services they provide to the citizens of Wausau. Also, remember to bring an item to fill the food pantry. The holidays are coming and we will discuss what we want to do for the holiday season. Anyone want to ring bells for the Salvation Army? Bring suggestions.

Please review the Fall/Winter schedule for leaf pickup: Wednesday, Nov 2 - West to Rosecrans, Thursday, Nov 3 – Rosecrans to Chellis, Friday, Nov 4 – Chellis to Lake Wausau. Please do not put the leaves in the gutter until the weekend before the scheduled collection date. The leaves may clog the sewer drains and pipes, especially if it rains.

Trick and Treat hours on October 31 are from 4pm to 7pm. Remember to take precautions if the weather is cold and wet. If traveling after the sunset, to have a flashlight or reflective gear for oncoming traffic to see the little ones.

Future meetings we will have the medical examiner and a tour of the new NTC milking farm. So plan your schedules.

Pictures have been posted on the internet from the last meeting for review.
