SNOW EMERGENCY

A snow emergency will be in effect from 12:00 p.m., Tuesday, February 02, until 12:00 p.m. on Wednesday, February 03. Vehicles should not be parked on streets during this time period. ***Vehicles which are parked on City streets are subject to being ticketed. The forfeiture for parking on the street during a snow emergency is \$100.*** It is very important for vehicles to be off the streets so snow plowing operations can take place.

Drivers are urged to use caution on snow-covered streets and stay clear of snow plows.

Eric Lindman, P.E.
Director of Public Works and Utilities
