Are you confused on what side of the street to park on during the overnight hours? Have you received an overnight parking ticket and wondered why you received it? The City of Wausau recently revised overnight parking regulations and the following article sheds light on year-round parking restrictions for the hours of 2:30 a.m. to 6:00 a.m.

Parking is allowed on city streets (other than in a designated area in the **downtown** – see below) on an alternate side basis **during the hours of 2:30 a.m. and 6:00 a.m.** It is not necessary to call the Wausau Police Department for permission. On the odd-numbered calendar days, vehicles must be parked on the odd-numbered side of the street. On the even-numbered calendar days, vehicles must be parked on the even-numbered side of the street. Odd/even parking is not allowed on those streets where “No Parking” restrictions are in effect, where there are other restrictions which would not allow the odd/even parking, or in the downtown area described below.

Keep in mind the odd/even requirement pertains to the time period of 2:30 a.m. to 6:00 a.m. If you park your vehicle on the street in the evening intending that it will be parked overnight, make sure it is on the appropriate odd/even-numbered side of the street for the time period 2:30 a.m. to 6:00 a.m.

Downtown Area: Parking is not allowed in the area (including both sides of the streets) bounded on the north by McIndoe Street, on the west by First Street, on the south by Forest Street, and on the east by Sixth Street. Persons who live downtown can contact the Clerk/Customer Service Office (phone 715-261-6620) to purchase monthly overnight permits to park in a city parking facility. Occasional visitors to the downtown who need one-night parking can park in Lot 5 at the corner of Third Street and Grant Street. The east lane of this lot has 15-hour meters (50¢ an hour), which are in operation 24 hours a day, Monday through Saturday.

Overnight parking will not be allowed during snow emergencies. Residents should keep in mind that even if a snow emergency has not been declared, vehicles which are parked overnight on city streets during snowfalls may hinder snow plowing operations.

The forfeiture for violating the overnight parking ordinance is \$25.00, and is much higher during snow emergencies.
