Playgrounds Code

In order to maintain a safe and fun play environment for all the participants in our program, we ask that children abide by the Code of Courtesy on the playgrounds, on trips and during special events.

Code of Courtesy

*I will treat myself, other children, playground leaders and guests with respect and not use inappropriate language or make inappropriate physical contact.

*I will respect the playground supplies and not enter the vehicle without permission from the leaders.

*I will respect the school and grounds and only enter the building when I am accompanied by an adult leader. In the school I will use my inside voice and will not misuse equipment.

*I will park my bike, board or scooter, and not use them in the play areas. If I wear in-line skates to the playground, I will bring regular shoes and change into them for playground activities.

*I will follow this code of courtesy when on the playground and during special events.
