

REVISED 10/18/16 2016 LEAF COLLECTION SCHEDULE

THIS SCHEDULE IS SUBJECT TO CHANGE DEPENDING ON THE WEATHER.

Please **DO NOT** rake leaves into the gutter until the weekend before your scheduled collection date. The leaves may wash into the storm sewer, clogging inlets and sewer pipes. Also, the additional amount of leaves traveling through the storm sewers add to the amount of leaves in the river, thereby creating an undesirable effect on the environment by increasing the organic matter in the river. **PLEASE COOPERATE!**

Residents wishing to dispose of leaves prior to their collection date may deposit leaves in the dumpsters at the yard waste site at 105 East Chellis Street. Leaves should not be raked into gutters after the scheduled collection date. After the scheduled date all remaining leaves should be taken to the yard waste site for disposal.

The yard waste site will close at 5:00 PM on SUNDAY NOVEMBER 20, 2016.
