

REQUEST FOR BIDS

Wausau Water Works is requesting Sealed Bids for water meters. Meters of varying sizes are being bid. Smaller meters should be bid for case purchase or in quantities indicated. Larger meters will be bid for single meter or case purchases as indicated.

All meters bid must meet the following minimum specifications:

- All meters are to be made of lead-free brass, with replaceable frost plates. Unless noted otherwise, meters will have threaded ends.
- Clocks will read in units of 100 cu. ft. unless noted otherwise.
- Meters must have at least basic and intermittent leak detection options, and no internal battery.
- Must meet or exceed all AWWA standards.
- All meter bodies shall have a lifetime warranty, and a minimum of 10 year free replacement on registers, with an additional 10 year pro-rated register replacement.
- Meters will be positive displacement, nutating disc type meters
- All meters must be 100% compatible and backwards compatible with Neptune R900 MIUs and Neptune MRX meter reading equipment via walk-by, drive-by or fixed network .
- Bid prices to be held for a minimum of one year.
- Literature explaining the various meters should be enclosed with bid documents or referenced via an Internet website.

All sealed bids are to be received by **3:30 p.m. on Friday, November 21, 2014**. Bids should be addressed to: Wausau Water Works, c/o Engineering Department, 407 Grant Street, Wausau, WI 54403-4783, and should be clearly marked Water Meter Sealed Bid on the envelope. Questions regarding the specifications may be addressed to Deb Geier, Wausau Water Works, at 715-261-7262 or deb.geier@ci.wausau.wi.us
