Minutes of previous meetings. (8/19/19)

Motion by Peckham, second by Herbst to approve the minutes of the previous meeting on 8/19/19. Motion carried 4-0.

Consider approval or denial of various license applications

Rasmussen stated Bradley Szarkowitz was recommended for denial of an Operator's License, but will be pulled off this list because he contacted the Clerk's Office indicating he would like to submit evidence of rehabilitation to be reviewed. Since Mr. Szarkowitz was only recently notified of the denial recommendation and needed more time, his license will be moved to the list for the October meeting. There was also a denial recommendation of an Operator's License application for Diamond Larkin; it was noted Ms. Larkin was not present.

Motion by Peckham, second by Herbst to approve or deny various licenses as recommended by staff, with the exception of Bradley Szarkowitz who will be considered next month. Motion carried 4-0.

Request to allow for an outdoor band on Saturday, September, 21, 2019 at M&R Station, 818 S 3rd Ave, in enclosed beer garden (Richard Gordon)

Rasmussen noted the committee has permitted outdoor bands in the enclosed beer garden in the past without issues.

Motion by Herbst, second by McElhaney to approve an outdoor band at M&R Station on September 21, 2019. Motion carried 4-0.

Discussion and possible action regarding Rental Inspection Program, including Inspection District and Rental Registration

Rasmussen stated a number of years ago the City of Wausau implemented rental licensing, whereby a rental unit had to be inspected and things wrong had to be fixed before renting it out. It was a success identifying interior issues in rental properties that were previously going undiscovered. Shortly after that plan was approved and existed in a number of Wisconsin cities, a group of landlords sued municipalities and lobbied in Madison to have the law as written be changed to not be compliant with statutes. She stated given that change, enforcement on Wausau's rental licensing ordinance was suspended. She indicated Assistant City Attorney Alfonso and Inspections & Zoning Administrator Bill Hebert looked into what measure of a rental inspection plan could be accomplished that complies with the statutes.

Bill Hebert explained through research it was determined the City of Wausau can create a Neighborhood Enhancement District, which can be moved to another area as well. He referred to the maps in the packet lay out the area proposed. They tried to choose an area in the city that wasn't part of the initial phase of rental inspection licensing, but also wanted an area that had a high density of rental units and older housing. The proposed area has boundaries north of Bridge Street and south of East Wausau Avenue; basically the area south of Athletic Park. He noted the proposed district is 75% rental units, noting that according to the census, city wide it is approximately 42% rentals. The average age of houses in the city is 65 years old, but in this area the housing average is 110 years old.

Rasmussen questioned what measure of success they saw with inspecting the interior of rentals when they were doing inspections, as far as what was found that wouldn't have been just with an exterior drive by. Hebert stated they try to limit our purview to life safety type violations, such as missing handrails, smoke detectors, carbon monoxide detectors, and plumbing issues. Primarily the type of items that were not required when the house was built.

Peckham questioned if they were going to expand the area designated or more to a different area, would they keep that area under that designation or drop it and move to another. Hebert stated their goal would be to get through the whole district at least once and then move on. He believed part of the new legislation is once it is passed, you can't go back in for five years, unless a new tenant came in after the fact with a new issue and allowed us back in. He indicated once they choose a new district, which is determined by age of housing stock, code violations in the area, and calls for service by police or fire, they would bring that next district back to this committee for approval.

Rasmussen stated if the committee and Council were to approve the plan, we would take time to remind the public, landlords, and tenants what tools exist within the city to make properties better. The Community Development Department has commercial rehab loans, the Live It Up Program, low interest financing options, etc.

Peckham questioned about how long it would take to work through this district before starting on another one. Hebert estimated approximately one year with cooperation.

Tammy Stratz, Community Development, stated their departments work very well together and all the inspectors are very familiar with our programs to help not just landlords, but also homeowners. She felt that together they can make these programs work.

Consider Ordinance Repealing and Recreating rental contact registration; Repealing Section 16.04.039 Residential rental licensing; Creating Section 16.04.030 Residential rental inspection

Alfonso stated this proposed ordinance not only includes the Residential Rental Inspection Program, but it also modifies our contact registration which would require landlords to provide the city with the name of a contact person. Rasmussen commented this is important because it was very difficult to resolve an inspection related issue with an out of town landlord.

Motion by Peckham, second by Herbst to approve the ordinance. Motion carried 4-0.

Consider Resolution Designating a City of Wausau Neighborhood Stabilization and Enhancement District for purposes of residential rental inspection program

Rasmussen noted this resolution approves the map of the proposed district.

Motion by Peckham, second by McElhane to approve a City of Wausau Neighborhood Stabilization and Enhancement District, as presented. Motion carried 4-0.

Discussion and possible action on Ordinance Repealing Title 18 Electrical and Recreating Title 18 Electrical Standards

Rasmussen indicated Alfonso has been working on this ordinance that brings us up to today's standards.

Motion by McElhane, second by Peckham to approve the ordinance repealing and recreating Title 18. Motion carried 4-0.

Operations Report from Fire Department for July & August 2019

No discussion, reports placed on file.

Tavern Activities / Compliance Checks / Law Enforcement Activities

Chief Bliven presented the Tavern Report for August 1, 2019 through August 31, 2019 (*See attached*).

Chief Bliven indicated Lt. Mike Felder met with both the owner of Roc's Place, Tim Nawrocki and his manager and then Bliven met separately with them as well, regarding some of the incidents that have taken place there. Discussion centered on helping them be successful, such as training on ID's, de-escalation on situations, etc. He pointed out it was Nawrocki's responsibility as a tavern owner to make the premise safe for their clientele and if it is not safe, that is when the Police Department gets involved. Bliven noted the Nawrocki has been promising for quite some time to get security cameras and they are now supposed to be installed by the end of the week. He indicated Mike Felder will follow up on this to make sure it has occurred. He noted they have started to ban individuals who they deem as trouble makers by maintaining a list of names with photos for the staff to use and remove trouble makers from the premises. They have changed their entry and exit procedures on what doors people come in and out to make it easier for the staff to monitor. There is a bouncer which PD has asked to begin patrolling the parking lot where many fights have taken place.

Rasmussen stated there recently has been quite a problem with open containers in the downtown and questioned what the issue was with Malarkey's. Bliven felt this was not typical of Malarkey's which has usually been proactive. He pointed out Mike Felder is recommending 150 demerit points to Malarkey's. Three of those incidents happened within a few hours of each other near bar close time; another two incidents occurred on the same night. He was not sure if this was a result of a new staff problem, but it was the committee's prerogative to call the owner Tyler Vogt to appear before the committee or they could have Vogt meet with the Police Chief.

Rasmussen stated we have to treat all establishments the same and when an establishment reaches 100 points the owner is sent a formal expression of concern letter and asked to appear before the committee and provide what type of remedial action they intend to implement. She directed the clerk to send a formal letter of concern to Tyler Vogt and invite him to the next meeting for discussion.

Communications

None.

Adjourn

Motion by Peckham, second by Herbst to adjourn the meeting. Motion carried unanimously. Meeting adjourned at 5:53 pm.

Subject TAVERN REPORT August 1, 2019 through August 31, 2019

NOTABLE INCIDENTS AT TAVERNS TO WHICH POLICE WERE DISPATCHED.

Malarkey's. 412 N. 3rd Street

- (1) *Case #19007325, 08/03/19 at 1:53 AM:* An Officer was patrolling the downtown area via squad car when he observed a male sitting on one of the planters for the 400 block. The male was holding a 16 oz. can of Miller Lite beer in his hand. When approached by the Officer, the male admitted that it was "booze." The male further admitted that he had left Malarkey's with the can of beer. The male was issued a citation for Liquor on the Street (Municipal Citation #4T80ZFXHNJ). It is recommended that the bar receive **twenty-five (25) Demerit Points** for Leaving with Open Container.
- (2) *Case #19007359, 08/04/19 at 1:37 AM:* The **bouncer** called to report that there was a male patron that would not leave the bar. On arrival, Officers made contact with the bouncer who advised the male was stealing other patrons' drinks and touching female patrons inappropriately. When he asked the male to leave, the male poked him in the chest, pushed him and tried punching him. The male denied being involved in any type of altercation or wrong doing. He was arrested for Disorderly Conduct.
- (3) *Case #19007552, 08/09/19 at 1:10 AM:* CSO stopped a woman that had a 16 oz. can of Budweiser on the sidewalk. The woman was issued a written warning by the CSO (Traffic Warning #W8507) for Liquor on the Street. The bartender told the CSO that he was "pretty busy," so he wasn't able to monitor the door. It was noted that there were four patrons in the bar at the time. I recommend **twenty-five (25) Demerit Points** be assessed for Leaving with Open Container.
- (4) *Case #19007590, 08/09/19 at 10:41 PM:* Officers received an anonymous complaint that there were underage people in the bar. Officer responded to investigate the complaint and located three underage people on the premises. The three underage people were sitting at a table with two people who were of legal drinking age. The three underage people did not have drinks in front of them, but had been drinking. They stated they had been drinking elsewhere, prior to coming into the bar. They stated they were not carded as they entered the bar. When questioned, the bouncer said he had checked two of the underage people's identifications, and asserted that they must have fake identifications. The two people the bouncer claimed to have checked were not found to have any identification on their person. The three underage people were cited for Underage Drinking. Since they did not appear to have been served alcoholic beverages at the bar, no citations were issued to the bar for serving the underage persons. They were not issued citations, however I recommend that they be issued **twenty-five (25) Demerit Points** for Underage Person on Premise.
- (5) *Case #19007819, 08/17/19 at 12:56 AM:* A male was stopped by a CSO on the street/sidewalk after being seen with a clear plastic cup with a mixed drink in it. The male was issued a written warning (Traffic Warning #W8510), and it was determined by the CSO that the male had left Malarkey's with the drink. I recommend **twenty-five (25) Demerit Points** be assessed to Malarkey's for this violation.
- (6) *Case #19007823, 08/17/19 at 2:04 AM:* A male was stopped by a CSO on Jefferson Street with what appeared to be a 16 oz. can of Miller Lite in his hand. He was issued a citation (Municipal Citation #N1366096) for Liquor on the Street, as he had been warned earlier in the evening by an Officer outside Malarkey's an hour prior. I recommend **twenty-five (25) Demerit Points** be assessed for Leaving with Open Container.
- (7) *Case #19007824, 08/17/19 at 2:12 AM:* A male was stopped by an Officer while standing outside Malarkey's with a red solo cup. He initially tried hiding it from the Officer, then admitted that it was what was left of a mixed drink. He was issued a citation (#N1388313) for Liquor on Street. The bouncer had stopped working at approximately 1:30 AM, and no employees were at the door. The male was indignant upon receiving the citation. I recommend **twenty-five (25) Demerit Points** be assessed for Leaving with Open Container.

ALCOHOL BEVERAGE DEMERIT POINTS ASSESSED

- **Malarkey's** is recommended to be assessed with a total of one hundred fifty (150) Demerit Points for Underage on Premise, and several violations of Leaving with Liquor.

Respectfully submitted,

Comments on Proposed Ordinances Prohibiting Trespassing on Parking Meter Lots or Ramps and The Possession and Consumption of Intoxicants

- The City has experienced a number of complaints from downtown business stakeholders regarding safety concerns at City parking facilities, in particular the Jefferson Street Ramp. Complaints include people sleeping in ramp stairwells, obstruction of ingress and egress, leaving trash and debris, consumption of alcohol beverages, and urinating. As part of a greater, overall approach to safety, sanitation, and concerns for those who may be in need of social, charitable, and other services, the City and its Wausau Police Department (“WPD”) are working with local non-profit organizations in an effort to generate more services and access to services for homeless and other individuals who may be in need.
- To address some of the specific concerns relating to City parking facilities, the WPD has initiated regular early morning stairwell patrols in the Jefferson Street Ramp.
- In support of its additional patrols, the WPD has requested the City consider the passage of an ordinance which would clearly prohibit individuals who are not using the City parking facilities for parking purposes from entering, remaining in or upon, loitering, standing, sitting, lying, trespassing or otherwise occupying any City parking lot or ramp. Supplementing this proposed ordinance is a proposed ordinance prohibiting the consumption of alcohol beverages in lots and ramps unless part of an approved special event. If approved, appropriate signage would be posted advising individuals of ordinance restrictions.

Comments on Proposed Draft of Public Display or Processing of Animals Ordinance

- From time to time, the City has received complaints regarding animal carcasses hanging from a tree during the hunting season. These are usually located in the front lawn areas of residences within the city limits of Wausau.
- At the present time, Wausau does not have any ordinance prohibiting the act of hanging an animal carcass in the front lawn/in the plain view of the public.
- The closest ordinance available to prohibit this act would be under the Public Nuisance ordinance (9.24.010). However, given that the hanging of an animal carcass is only displayed for a very brief amount of time (24-72 hours), this might not qualify as a public nuisance.
- Wisconsin Statute § 29.038(3) states that a local government unit may enact an ordinance that has an incidental effect on hunting but only if the primary purpose is to further public health or safety.
- This proposed ordinance does not put any restriction on hunting, so it appears the ordinance does not have an incidental effect on hunting, thus Wisconsin Statute § 29.038(3) does not apply.
- The primary purpose of this ordinance is for aesthetics.
- There is not any case law in Wisconsin regarding a similar ordinance or a dispute over the constitutionality of it.
- The proposed ordinance is attached. Note that the proposed ordinance as it is currently drafted, does not allow an animal carcass to be hung or displayed for any period of time. An alternative proposed ordinance could allow a brief amount of time for the carcass to be displayed, such as 24-48 hours, however, most of the time, the carcass is only hung that long anyway, so the ordinance drafted in this manner would have no effect on stopping this act.
- The proposed ordinance would allow the animal carcass to be hung inside an enclosure. The animal carcass would not be allowed to be hung in the front yard, side yard, or rear yard.
