### **Minutes of previous meetings. (3/16/20)**

Motion by Peckham, second by Herbst to approve the minutes of the previous meeting on 3/16/20. Motion carried 4-0.

### **Consider approval or denial of various license applications**

Rasmussen noted there were no denial recommendations for licenses this month and the list of applications was short due to many businesses currently closed.

Motion by McElhaney, second by Peckham to approve the licenses on the list as recommended by staff. Motion carried 4-0.

### **Consider request for approval of a variance to Chicken Keeping License - Theran Peterson**

Rasmussen stated the renderings of the back yard in the packet show the larger coop requested. She commented the picture of the finished coop is attractive looking.

Peckham commented the pictures were good, but the application did not state the distance the coop would be from the eastern property line. He had also wanted to know if they had talked with their neighbors, so he contacted Humane Officer Bishop and she indicated she inspected the site and recommends approval.

Motion by Peckham, second by Herbst to approve the variance for to the Chicken Keeping License. Motion carried 4-0.

### **Communications**

Rasmussen noted the tavern activities and fire department reports were emailed to committee members for their information rather than agendaized since they were not considered essential business.

Peckham stated the tavern activities report showed there were additional problems at Hutch's and Newch's Eatery and felt the owners should be invited to appear before the committee because their demerit points have reached 100. Rasmussen directed staff to include the report on the May agenda so this can be discussed at that time.

### **Adjourn**

Motion by Herbst, second by McElhaney to adjourn the meeting. Motion carried unanimously. Meeting adjourned at 5:20 pm.
