- One of our attendees heard that a cell tower will be going up in our neighborhood, prompting a discussion regarding potential advantages and concerns about the tower.
- Bushes that needed trimming (it has been done) were discussed.
- An issue with parking across the sidewalk in your own driveway was discussed. There are several visually impaired people who walk our neighborhood; they have walked into parked cars that extended onto the sidewalk. Officer Chittum pointed out that it is illegal to park across any sidewalk. Please be considerate of all walkers, especially those with limited vision.
- We were reminded that leaves should be not raked into the street until the weekend before your scheduled pickup date.
