#### From My Desk to Yours . . . Anne Heidemann, President, Longfellow Neighborhood

Considering that the COVID-19 numbers in Marathon County have gone up, I feel we should postpone our September meeting--perhaps October will be more promising. Our condolences to our friend and neighborhood resident, Donald Reissmann, whose wife passed away on August 1<sup>st</sup>. Hooray--the railroad crossing on Single Avenue is finally being repaired! Stay safe everyone.

#### Michael Martens, District 2 Alderman

This time of year, I would normally tell everyone to watch for school busses as kids head off for another year of school. But since we live in unprecedented times, I'm just going to wish everyone a safe start to the academic year.
