PUBLIC NOTICE

The Wausau Police Department is scheduled for an on-site assessment as a component of its designation as an accredited law enforcement agency. The assessment is a review of the department's compliance with established standards in four primary areas: policy and procedures, operations, administration and support services.

Both the "accredited agency" designation and the assessment are administered by the Wisconsin Law Enforcement Accreditation Group (WILEAG). WILEAG, like the Wausau Police Department, is dedicated to promoting excellence and professionalism in law enforcement practices and is dedicated to improving service to the community we all serve.

WILEAG assessors will be at the Wausau Police Department from February 25 to February 27, 2020. The assessment team is composed of law enforcement professionals from other Wisconsin agencies.

As a part of the assessment process, members of the public and employees of the Wausau Police Department are invited to offer comments by calling the assigned WILEAG assessment team at (715) 261-7817 on Feb. 26, 2020, between the hours of 2:00PM and 4:00PM.

Comments are limited to ten (10) minutes and must address the agency's ability to comply with WILEAG's standards. A copy of the standards is available at the Wausau Police Department and on the department's Facebook page.

Additionally, anyone wishing to submit written comments about the Wausau Police Department's ability to comply with the standards for accreditation may send them to WILEAG at the following address: WILEAG, PO BOX 528, Hartland, WI 53029, or, wileag@yahoo.com.

For questions related to the accreditation process, you may contact Lt. Cord Buckner, cord.buckner@ci.wausau.wi.us.
