

Overnight Parking

ALL NIGHT PARKING: Parking is allowed on City streets (other than in designated areas in downtown—see below) on an alternate side basis **during the hours of 2:30 a.m. and 6:00 a.m.** It is not necessary to call the Police Department for permission. Vehicles must be parked on the even-numbered side of the street on even-numbered calendar days and on the odd side of the street on odd-numbered calendar days.

Odd/even parking is not allowed on streets where “No Parking” restrictions are in effect. However, odd/even parking is not enforced on streets with “No Parking” on one side of the street only. Therefore, residents can legally park on the side not prohibitively posted regardless of the day unless a snow emergency has been declared.

Keep in mind that the odd/even requirement pertains to the time period of 2:30 a.m. to 6:00 a.m. If you park your vehicle on the street in the evening intending that it will be parked overnight, make sure it is on the appropriate odd/even-numbered side of the street for the time period of 2:30 a.m. to 6:00 a.m.

DOWNTOWN AREA: Between the hours of 2:30 a.m. and 6:00 a.m., parking is not allowed in the area (including both sides of the streets) bounded on the north by McIndoe Street, on the west by First Street, on the south by Forest Street, and on the east by Sixth Street. Persons who live downtown (and occasional visitors) can park overnight in the parking ramp structures. However, your vehicle must be removed from the parking structure before 8:00 a.m., Monday through Friday, to avoid being ticketed.

SNOW EMERGENCY: Overnight parking will not be allowed during snow emergencies. Residents should keep in mind that even if a snow emergency has not been declared, vehicles which are parked overnight on City streets during snowfalls may hinder snow plowing operations.

The forfeiture for violating the overnight parking ordinance is \$25.00, and is \$100.00 during snow emergencies.
